RED CROSS FINAL TOTAL \$52,000.40

Assembled By Chairman Eben Learned — Special Church Sales and Entertainments Brought in \$3,379.57—Manager of Atlantic Division Sends Letter of Appreciation For What Norwich Branch Did.

Total subscriptions in the Red Cross campaign in Norwich amounted to \$52,000.40, according to final figures assembled by Chairman Eben Learned on Friday and this amount was turned in by 15,188 subscribers. The quota for Norwich was \$10,000.

He has just received the following letter of acknowledgment from Ethel Allen, manager of the Atlantic division for the fine response that was made in the division:

New York, June 19, 1918.
My dear Mr. Learned: I wish to express to you, as chairman of the second war fund committee for the Norwich chapter, and to those who were associated with you, my appreciation for the splendid service that you have rendered to the American Red Cross.

The Atlantic Division, outside of New York city, was asked to contribute \$10,000,000—up to date \$21,500,000 has been reported, and this great over-subscription would not have been possible had it not been for the untiring efforts of the men and women who were engaged directly in the campaign.

I am sure that it must be a great satisfaction to you to have your share in this undertaking, which is going to mean so much to those who are bearing the real burdens of the war.

Yours very truly,
ETHAN ALLEN,
Manager Atlantic Division.

Brought in \$3,379.57.

In the total that was raised in Norwich campaign one of the considerable sums raised was that brought in through special sales and entertainments carried out in the Red Cross chapter, most of these sales being held in the former Plaut-Cadden store on Main street.

A committee consisting of Miss T. C. Steiner, chairman, Miss Mary Shannon and Mrs. Eben Learned had general charge of the direction of this work which resulted in the fine total of \$3,379.57 of which \$407.25 was from the programme on the Roman steps and the balance from the other sales or entertainments.

From the entertainment on the Roman steps the proceeds were as follows: Flowers \$106.24, vegetables \$43, fruit \$11, soda and popcorn \$51.15, ice cream \$21.15, children dancing \$97.71, ponies \$3; total \$407.25.

Sales held at the Plaut-Cadden store and other efforts resulted as follows: Taftville church \$36.20, Congressional \$292.65, Central Baptist \$95, St. Patrick's \$147.69, St. Patrick's \$232.50, St. Patrick's Young Ladies' Society \$13, St. Mary's \$130, Sacred Heart \$100, St. Joseph's \$121, Helping Hands \$230.27, German Lutheran \$170, Swedish Lutheran \$104, A. In the afternoon the regular program was opened by the singing of The Star Spangled Banner, followed by an essay by Mrs. John Avery of North Stonington. Mrs. Avery was unable to attend the meeting, so the paper she had prepared was read by Mrs. Munson of Colchester. A discussion on general subjects brought out many prominent facts of great benefit to the farmer.

Mrs. H. H. Leland of Konomoc grange gave a pleasing recitation, demonstration of the possibilities of cottage cheese was given by Miss Eleanor Moss of Storrs college. COTTAGE CHEESE AN INEXPENSIVE MEAT SUBSTITUTE

At this time, when everyone is so concerned about the food situation, the food value of milk and its products is considered. On the basis of energy supplied, one pound of cottage cheese equals 1.27 lbs. sirloin steak, 1.09 lbs. round steak, 1.33 lbs. fowl, 1.44 lbs. smoked ham, 1.58 lbs. loin pork chops. In addition to protein, energy for preparing body work must be furnished by food. As a source of energy also cottage cheese is cheaper than meats. The following table shows the comparison when energy is considered. On the basis of energy supplied, one pound of cottage cheese equals 1.27 ounces sirloin steak, 1.14 ounces round steak, 1.33 ounces smoked ham, 1.58 ounces loin pork chops, 10.34 ounces fowl. The U. S. D. A. has made an accurate study of this work and has assigned a specific value to this state. In food and nutrition demonstrations have been given in Coventry, Columbia, Ellington, two in Stafford. At these demonstrations special emphasis has been placed on the various ways of using cottage cheese. One dairyman at Stafford is making the cheese and putting it on sale at one of the local grocery stores. Cottage cheese is a food that may form an important part of the diet, served alone or in combination. Being made from skim milk, which is often now fed to livestock or wasted, cottage cheese makes available for human food a valuable but little appreciated dairy by-product.
